Education

Savitribai Phule Pune University

Bachelor of Engineering in Computer Science

JSPM Narhe Technical Campus, Pune (2019-2024)

Technical Skills

- **Languages:** Java, Python, SQL, PHP
- **Web Technologies:** HTML5, CSS3, JavaScript, Angular, React, AJAX, jQuery,
- **Databases:** MySQL, Oracle SQL, MongoDB
- **Frameworks & Tools:** Spring Boot, Hibernate, Django, Git, Linux, REST APIs
- **Cloud Technologies:** Familiar with cloud platforms such as AWS, GCP

Experience

SETTribes - Web Developer Intern

December 2024 - February 2025 | Pune, India

- Developed and maintained **full-stack web applications** using **PHP, JavaScript, MySQL, HTML, and CSS**.
- Integrated dynamic features with **JavaScript & PHP** for enhanced user experience.
- Managed **database interactions** using MySQL and optimized queries for performance.

Projects

1. Task Management System

- Built a web-based task management system using **React, Django, and MySQL**.
- Implemented user authentication, task assignments, and a real-time dashboard.

2. E-Commerce REST API

- Developed a RESTful API using **FastAPI** for an e-commerce platform.
- Integrated JWT authentication and payment gateway APIs.

3. Portfolio Website

- Designed a personal portfolio website using **React.js** and **Node.js**.
- Integrated a contact form and a blog section with markdown support.

4. Blog Management System (Python Full Stack)

- Developed a full-stack blog management system using **Django, React, and MySQL**.
- Implemented features like user authentication, post creation, comments, and likes.
- Used Django REST Framework (DRF) for backend APIs and Redux for state management.

Key Strengths

- Passion for coding, problem-solving, and analytical thinking.
- Strong foundation in Python backend development, REST APIs, and full-stack web applications.
- Ability to work in an onsite development team and collaborate with global clients.

Certifications & Achievements

- Certified in Full-Stack Web Development
- Completed projects using React.js, PHP, and MySQL
